

Rev. Dr. Webster Siame Kameme

University
of
St Andrews

Dear Professor Mario I Aguilar,

Ref: **Acceptance of the Alfat Mohammedi Prize – 2018**

May I express my gratitude on being chosen as the Fundación Milarepa - Alfat Mohammedi Prize – 2018 recipient. It is indeed an honour and special privilege to be given such a recognition among many equally deserving individuals. On behalf of my family and indeed on my own behalf, we humbly acknowledge the recognition and endeavour to continue on the path towards a common shared humanity.

The signing of the St Andrews Declaration for a Shared Humanity that started in 2016 under your inspiration and able leadership must be continued as a vanguard for all humanity at every level of society, in all continents of the world. It is my conviction that we can all contribute in our small ways towards this realisation. Consequently, I remain an ardent advocate of the common shared humanity.

I, therefore, accept the Fundación Milarepa - Alfat Mohammedi Prize – 2018 with much joy and appreciation.

Please accept my special thank you for the prize and it will no doubt go a long way towards adding my research endeavours.

Sincerely yours,

Webster Siame Kameme (PhD, MPhil, MSc, ATD)
